

## Application for Volunteer Service

Our school exists to provide a distinctive, biblically based education in a nurturing environment through which students are instilled with godly character, inspired to excel, and prepared for a life of enduring commitment to Christ. We appreciate your desire to volunteer your services to our school. Since we value our students highly and seek their protection and safety, we ask volunteers who might have unsupervised access to them to go through an application and screening process to serve in our school. We are seeking volunteers who are qualified, who really love children, and who, by the pattern of their lives, are Christian role models (Luke 6:40).
