Sign in to Teams

1. Open [Office.com](#) and sign in with your school email and password.
2. From your Office.com homepage, click on the Teams app to open right in your browser.
3. Select Teams in to see which class teams you're in. If your teacher has already set up the class team and added you, you'll see one or more (depending on how many classes you have) class team tiles.

Notes: Don't see any class team tiles? Your teacher may have invited you to join your class team with:

- A join code (from the Teams page, select Join or create a team and enter the code)
- A link (check your email!)

When you see your class tiles, click on one to start connecting with your teacher and classmates!
